**INFORMATION REGARDING SUBJECT/S APPLIED FOR**

I will regularly check the status of my application in the info portal of the application on the website https://studienbewerbung.uni-muenster.de/infoportal. Letters of admission will be ready for downloading after the admissions procedure has ended. If I am admitted and accept the place or places, I have to communicate my acceptance electronically in time by using the info portal. I am aware that I can only be enrolled during the period of enrolment and after I have obtained an offer of admission which I have to accept in time. Letters of rejection as well will be ready for downloading in the info portal.

**YOUR APPLICATION IS CURRENTLY NOT YET COMPLETE**
**You must upload the documents required for your application to the info portal https://studienbewerbung.uni-muenster.de/infoportal by the deadline stated for the subject you have applied for (exclusion deadline). After logging in again you will receive further information on the status of your application there.**
